

Customer and Stakeholder Engagement: Didcot

On 30 November 2022 we announced the closure of 114 branches, including our branch at Didcot. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

Customer and stakeholder contact

On 20th and 23rd January, we wrote to all regular users of this branch. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to David Johnston, constituency MP, on 30 November 2022 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all our customers during this period of change.

At announcement we also wrote to a number of key stakeholders. These included:

- Post Office
- HM Treasury
- Cash Action Group
- CBI
- British Chambers of Commerce
- Which?

On 23 January 2023 our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Counsellor David Rouane, Leader of South Oxfordshire District Council.
- Janet Wheeler, Didcot Town Clerk
- Didcot Chamber of Commerce
- Didcot Library
- Age UK Oxfordshire
- Alzheimer's Society
- Live Well Oxfordshire, Abingdon and Vale of White Horse Branch
- Citizens Advice, Didcot
- Post Office
- My Vision (RNIB)
- SOFEA
- Style Acre
- Trussell Trust Food bank
- Home-Start Southern Oxfordshire

We published an Impact Assessment on our public website. The assessment provides further details on the reasons behind our decision, the information used, the nearest

HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. To view these reports just scan the QR code or visit <https://www.hsbc.co.uk/branch-finder>. Copies are also available in the closing branch.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

Customer and stakeholder reaction/feedback

- We have written to David Johnston, Constituency MP and there has been no further correspondence.
- General customer sentiment is disappointment that the branch is closing. The staff within the branch have been actively supporting these customers and discussing the counter services available at the Post Office. Many customers have been pleased to hear about these services as the Post Office is located next to the branch.
- Calls to vulnerable customers have been well received and they have generally welcomed the opportunity to discuss the branch closure as a follow-up to the letter they received. During these calls we have taken the time to understand our customers' specific circumstances, which has allowed us to provide our customers with information on the services that may be suitable for them.

Follow up action taken

- We have engaged with the local Post Offices to ensure they are aware of the closure and the support they can provide to our customers.
- The branch team will be holding Pop Up events once the branch closes. Our branch experts will be on hand to offer important advice on how to reduce the risk of fraud on your account, give guidance and support on the different ways

Information correct at the time of publication.

customers can do their banking, including the services available at the Post Office and help with queries about our products and services.

- We have offered customers the opportunity to attend a HSBC@Home session focused on alternative ways to bank. HSBC@Home is our digital education programme and has been designed to educate and upskill customers on a range of topics from digital tools and services to fraud and financial fitness.
- We have been supporting customers in setting up telephone and digital banking. The branch team have been speaking to customers who use the branch, educating them on how to navigate mobile and internet banking, which will enable them to complete transactions using these channels.
